The present volume is intended to develop and disclose the rational basis for the main principles of practice employed in the trial of civil actions at law. Recourse has been had to the whole body of American case law, and the choice of cases has been determined by the clearness with which the court has shown a logical justification for the decision made. The -case went to trial and resulted in a verdict in his favor for \$1,250. The defendant company moved for a nonsuit at the conclusion of the plaintiff's case, and a direction to the jury to find a verdict for the defendant when the testimony was closed. Both motions were denied. Afterwards the company filed a motion for a new trial and a mo-cases on procedure annotated trial practice Download cases on procedure annotated trial practice or read online here in PDF or EPUB.
