

Download The Expert Witness In Construction Disputes

The role of the expert witness has long been important in construction litigation and arbitration and most other types of dispute resolution. Today there is a heavier burden on experts because of the diversity of the appropriate dispute process and the added responsibility this brings. 6 ft consulting expert witnesses in construction disputes Owen Fox is a Chartered Construction Manager and has spent over 35 years working in the construction industry. James Partridge Consulting (JPC) provides construction investigation, forensic services, consulting and expert witness services to the legal, insurance and business communities for construction, design and installation defect disputes for all building types. Expert witness testimony can be very effective in strengthening a legal argument, persuading the trier of fact, and ultimately attaining a winning disposition. When a legal dispute centers on assigning responsibility for an accident or mistake, a construction expert testifies on the standard of care.
