The Cub Cadet XT1 Enduro Series lawn tractors are loaded from the start -- ideally equipped for mowing, hauling, and use of a variety of popular attachments. A fly system, or theatrical rigging system, is a system of rope lines, blocks (), counterweights and related devices within a theater that enables a stage crew to fly (hoist) quickly, quietly and safely components such as curtains, lights, scenery, stage effects and, sometimes, people. Systems are typically designed to fly components between clear view of the audience and out of view, into the ...
